I have never seen the Prophet (may Allah's peace and blessings be upon him) laughing so heartily to the extent of seeing his uvulae; rather, he would only smile

‘Ā’ishah, Mother of the Believers, (may Allah be pleased with her) reported: I have never seen the Prophet (may Allah's peace and blessings be upon him) laughing so heartily to the extent of seeing his uvulae; rather, he would only smile.

[Authentic] [Agreed upon]

‘Ā’ishah (may Allah be pleased with her) informed that the Prophet (may Allah's peace and blessings be upon him) did not exaggerate in laughing until his uvula, which is the fleshy extension hanging above the throat, could be seen; rather, he would only smile.
