

## Shall I tell you something about the Antichrist that no prophet has ever told his people? Verily, he is one-eyed and will bring with him something like Paradise and Hell. What he says is paradise will actually be hell

Abu Hurayrah (may Allah be pleased with him) reported that the Prophet (may Allah's peace and blessings be upon him) said: "Shall I tell you something about Antichrist that no Prophet has ever told his people? Verily, he is one-eyed and will bring with him something like Paradise and Hell."

[Sahih/Authentic.] [Al-Bukhari and Muslim]

There was no prophet who did not warn his people of the one-eyed Antichrist, and that he will appear only at the end of time. Our Prophet (may Allah's peace and blessings be upon him) however, is the one who gave a detailed description of the Antichrist which no prophet or messenger had said before him. Furthermore, he explained that the Antichrist deludes people and confuses them, so that they believe that he will admit whoever obeys him into paradise, and whoever disobeys him into hell. But the reality is exactly the opposite.
