Five are acts of Fitrah (natural disposition): circumcision, shaving the pubic hair, trimming the mustache, clipping the nails, and plucking the armpit hair

Abu Hurayrah (may Allah be pleased with him) reported: I heard the Prophet (may Allah's peace and blessings be upon him) say: "Five are acts of Fitrah (natural disposition): circumcision, shaving the pubic hair, trimming the mustache, clipping the nails, and plucking the armpit hair."

[Authentic] [Agreed upon]

The Prophet (may Allah's peace and blessings be upon him) mentioned five acts that belong to the religion of Islam and the practices of the messengers. First: Circumcision: This is to cut the foreskin of the glans of the male organ and to cut the tip of a female's clitoris. Second: Shaving the pubes. This is to cut the pubic hair, which grows around the sex organs. Third: trimming the mustache. This is to trim the hair that grows on a man's upper lip in a way that makes the lip visible. Fourth: Clipping the nails. Fifth: Plucking the armpit hair.
