

This world is a prison for the believer and a paradise for the unbeliever

Abu Hurayrah (may Allah be pleased with him) reported that the Messenger of Allah (may Allah's peace and blessings be upon him) said: "This world is a prison for the believer and a paradise for the unbeliever."

[Authentic hadith] [Narrated by Muslim]

A believer is a prisoner in this world, given the eternal bliss that Allah has prepared for one on the Day of Resurrection. As for the unbelievers, their paradise is their worldly life, given the eternal punishment that Allah has prepared for them on the Day of Resurrection.
