No man accuses another man of defiant disobedience or accuses him of disbelief except that it rebounds on him if his companion is not like that

Abu Dharr (may Allah be pleased with him) reported that he heard the Prophet (may Allah's peace and blessings be upon him) say: "No man accuses another man of defiant disobedience or accuses him of disbelief except that it rebounds on him if his companion is not like that."

[Authentic] [Agreed upon]

The Prophet (may Allah's peace and blessings be upon him) warned that whoever says to another person: You are a defiant sinner, or: You are a disbeliever, if this person is not as he said, then he will be worthy of this mentioned description, and his accusation will rebound on him. However, if this person is as he said, then nothing will rebound on him given that he said the truth.
